ORDER

After a careful, *de novo* review of the file, the Court concurs with the Magistrate Judge's Report and Recommendation ("R&R"), to which objections have been filed (doc. no. 20). Accordingly, the R&R of the Magistrate Judge is **ADOPTED** as the opinion of the Court. Therefore, Plaintiff's claims based on deliberate indifference to safety, deliberate indifference to serious medical needs, placement in segregation without investigation or hearing, imposition of a co-payment for medication, denial of access to the courts, and claims for monetary damages against Defendants in their official capacities are dismissed for failure to state a claim upon which relief may be granted.

SO ORDERED this 24th day of March, 2014, at Augusta, Georgia.

UNITED STATES DISTRICT JUDGE
